

Special - (Grade level is specific to the grade level of the base teaching license)

Bilingual Education

NAC 391.242

T002-24

(Regulation updated 12/26/2024)

1. Hold a valid early childhood education, elementary, middle school/junior high, secondary, special education, or special teaching license; and
2. A bilingual program of preparation for teaching pupils who are identified as having limited proficiency in English which has been approved by the Department; or
3. Complete twelve (12) semester credits of coursework to include theories for the acquisition of a second language with the remaining coursework in at least three (3) of the following areas:
 - A. Methods of teaching language arts or reading in the native language
 - B. Methods of teaching math, science, and social studies in the native language
 - C. Testing and evaluating pupils of a second language in English and the native language
 - D. Development of curriculum, materials, and teaching methods for bilingual education
 - E. Native language and culture; or
 - F. Bilingual education, history, philosophy, and theory; and
4. Praxis language exam in the native language (for example, if the bilingual program was completed in Spanish, the Praxis Spanish language exam must be completed). The exam must be taken and passed prior to the issuance of the Bilingual endorsement.
