

MISSOURI TEACHER STANDARDS

Missouri Teacher Standards Standard 1:

Content knowledge aligned with appropriate instruction.

The teacher understands the central concepts, structures, and tools of inquiry of the discipline(s) and creates learning experiences that make these aspects of subject matter meaningful and engaging for students.

Quality Indicator 1: Content knowledge and academic language

Candidate	Emerging	Developing	Proficient	Distinguished
1C1) The teacher candidate... Demonstrates appropriate use of academic language used in the discipline being taught.	1E1) The emerging teacher... Knows and can demonstrate breadth and depth of content knowledge and communicates the meaning of academic language.	1D1) The developing teacher also... Delivers accurate content learning experiences using supplemental resources and incorporates academic language into learning activities.	1P1) The proficient teacher also... Infuses new information into instructional units and lessons displaying solid knowledge of the important concepts of the discipline.	1S1) The distinguished teacher also... Has mastery of taught subjects and continually infuses new research-based content knowledge into instruction.

Quality Indicator 2: Student engagement in subject matter

Candidate	Emerging	Developing	Proficient	Distinguished
1C2) The teacher candidate... Engages students with the use of multiple subject-specific methodologies.	1E2) The emerging teacher... Chooses from multiple sources to engage student interest and activity in the content.	1D2) The developing teacher also... Uses a variety of differentiated instructional strategies which purposefully engage students in content.	1P2) The proficient teacher also... Uses specific instructional strategies to engage students and advance each individual student's learning as evidenced by student data.	1S2) The distinguished teacher also... Moves fluidly between differentiated instructional strategies based on the unique learning needs and situations of the students resulting in deeper student knowledge and understanding in the content area.

Quality Indicator 3: Disciplinary research and inquiry methodologies

Candidate	Emerging	Developing	Proficient	Distinguished
1C3) The teacher candidate... Demonstrates an understanding of how to engage students in the methods of inquiry and research found in the discipline.	1E3) The emerging teacher... Introduces students to various methods of inquiry and research methodologies.	1D3) The developing teacher also... Employs student- inquiry instructional approaches to build capacity for all students on research methodologies.	1P3) The proficient teacher also... Develops strategies to engage students in the processes of inquiry and research pertinent to the discipline being taught.	1S3) The distinguished teacher also... Acquires and shares new knowledge on inquiry and research methodologies that improve student learning.

Quality Indicator 4: Interdisciplinary instruction

Candidate	Emerging	Developing	Proficient	Distinguished
1C4) The teacher candidate... Can create and implement interdisciplinary lessons that are aligned with standards.	1E4) The emerging teacher... Demonstrates the ability to make interdisciplinary content connections during instruction.	1D4) The developing teacher also... Implements meaningful interdisciplinary learning experiences that require students to apply disciplinary knowledge.	1P4) The proficient teacher also... Develops and implements interdisciplinary projects that guide students in analyzing the complexities of an issue or question using perspectives from varied disciplines.	1S4) The distinguished teacher also... Connects current interdisciplinary themes to their discipline(s) and weaves those themes into meaningful learning experiences through collaboration with students, colleagues, and/or real world partners.

Quality Indicator 5: Diverse social and cultural perspectives

Candidate	Emerging	Developing	Proficient	Distinguished

Quality Indicator 1: Implementation of curriculum standards

Candidate	Emerging	Developing	Proficient	Distinguished
3C1) The teacher candidate... Develops units and lessons explicitly aligned with district, state, and national standards and curriculum.	3E1) The emerging teacher... Makes informed decisions about instructional objects aligned to district mapping and pacing guides.	3D1) The developing teacher also... Consistently delivers a variety of learning experiences that are appropriate for curriculum and are aligned with state and district curriculum and assessments.	3P1) The proficient teacher also... Uses state/district curriculum guides with enough facility to anticipate skill gaps and/or misconceptions of students in order to deliver effective instruction.	3S1) The distinguished teacher also... Participates and/or demonstrates leadership for the evaluation and development of curriculum aligned to national, state, and district curriculum and assessments.

Quality Indicator 2: Lessons for diverse learners

Candidate	Emerging	Developing	Proficient	Distinguished
3C2) The teacher candidate... Develops lessons that incorporate strategies appropriate for engaging students with diverse needs, experiences, and perspectives.	3E2) The emerging teacher... Implements lessons and activities aligned to the curriculum that recognizes the individual needs of diverse learners	3D2) The developing teacher also... Consistently implements lessons and activities that address the needs of diverse learners and responds to ongoing analysis of student performance based on multiple assessments and analysis of student needs.	3P2) The proficient teacher also... Evaluates the effectiveness of a variety of instructional strategies based on multiple assessment data, curriculum and an analysis of student needs.	3S2) The distinguished teacher also... Participates and/or demonstrates leadership in the development of instructional strategies and interventions to accomplish instructional goals based on multiple assessment data, curriculum and an analysis of student needs.

Quality Indicator 3: Instructional goals and differentiated instructional strategies

Candidate	Emerging	Developing	Proficient	Distinguished
3C3) The teacher candidate... Demonstrates knowledge of how to develop short-term and long-term goals for students with diverse needs, experiences, and perspectives.	3E3) The emerging teacher... Uses differentiated instructional strategies to address student learning needs in meeting the objectives of the curriculum.	3D3) The developing teacher also... Systematically selects differentiated instructional strategies and content to meet student needs and enhance learning.	3P3) The proficient teacher also... Adjusts instructional goals and time and modifies instructional strategies, and content to meet students' needs and enhance learning.	3S3) The distinguished teacher also... Leads colleagues in discussions of instructional goals to identify methods for modifying instructional strategies, content, and adjusting time to meet students' needs and enhance learning.

Missouri Teacher Standards

Standard 4: Critical Thinking

The teacher uses a variety of instructional strategies and resources to encourage students' critical thinking, problem solving, and performance skills.

Quality Indicator 1: Instructional strategies leading to student engagement in problem-solving and critical thinking

Candidate	Emerging	Developing	Proficient	Distinguished
4C1) The teacher candidate... Can identify appropriate strategies for engaging students from diverse backgrounds in the development of higher-level thinking skills.	4E1) The emerging teacher... Selects various types of instructional strategies and appropriate resources to achieve instructional goals and teach students critical thinking skills.	4D1) The developing teacher also... Assures student growth with frequent instructional opportunities for students to use critical thinking and problem solving skills.	4P1) The proficient teacher also... Effectively applies a range of instructional techniques that require students to think critically and problem-solve.	4S1) The distinguished teacher also... Fluently uses a range of instructional techniques that require critical thinking; serves as a leader by offering constructive assistance and modeling the use of strategies, materials and technology to maximize learning.

Quality Indicator 2: Appropriate use of instructional resources to enhance student learning

Candidate	Emerging	Developing	Proficient	Distinguished
4C2) The teacher candidate... Demonstrates knowledge of current instructional resources to support complex thinking and technological skills.	4E2) The emerging teacher... Uses a variety of instructional resources to enhance the teaching and learning process.	4D2) The developing teacher also... Purposefully selects and uses a variety of developmentally appropriate instructional resources to enhance academic performance and technological literacy.	4P2) The proficient teacher also... Assesses the effectiveness of instructional resources and developmentally appropriate instructional activities and adapts for promoting complex thinking and technological skills.	4S2) The distinguished teacher also... Applies research-based instructional resources including technology to enhance their own teaching, as well as being a potential resource to others.

Quality Indicator 3: Cooperative, small group and independent learning

Candidate	Emerging	Developing	Proficient	Distinguished
4C3) The teacher candidate... Demonstrates knowledge of how to construct and implement activities that encourage critical thinking in both cooperative and independent learning contexts.	4E3) The emerging teacher... Employs individual and cooperative learning activities to promote critical thinking skills.	4D3) The developing teacher also... Uses a variety of learning situations, such as independent, small group and whole class to enhance individual and collective critical thinking skills.	4P3) The proficient teacher also... Effectively combines flexible and varied independent, cooperative and whole-class learning situations and applies grouping strategies to maximize student understanding and learning.	4S3) The distinguished teacher also... Models and/or shares with others the effective use of flexible and varied independent, collaborative and whole-class learning situations.

Missouri Teacher Standards

Standard 5: Positive Classroom Environment

The teacher uses an understanding of individual/group motivation and behavior to create a learning environment that encourages active engagement in learning, positive social interaction, and self-motivation.

Quality Indicator 1: Classroom Management Techniques

Candidate	Emerging	Developing	Proficient	Distinguished
5C1) The teacher candidate... Demonstrates knowledge of multiple classroom management techniques and an understanding of the situations in which each might be appropriately applied.	5E1) The emerging teacher... Demonstrates basic classroom management techniques and addresses misbehavior to avoid the disruption of instruction.	5D1) The developing teacher also... Uses effective classroom management techniques including addressing misbehavior promptly and effectively with the least disruption of instruction.	5P1) The proficient teacher also... Adapts and develops classroom management techniques that address all student misbehavior ensuring little or no disruption of instruction.	5S1) The distinguished teacher also... Shares with others effective classroom management techniques that reduce the likelihood of misbehavior ensuring little or no disruptions to instruction.

Quality Indicator 2: Management of time, space, transitions, and activities

Candidate	Emerging	Developing	Proficient	Distinguished
5C2) The teacher candidate... Incorporates appropriate techniques for managing time, space, and transitions in lesson planning.	5E2) The emerging teacher... Manages time, space, transitions, and activities in their classroom.	5D2) The developing teacher also... Effectively manages time, space, transitions, and activities to create an environment that enhances student engagement.	5P2) The proficient teacher also... Organizes, allocates, and manages time, space, transitions and activities to promote continuous student engagement and high levels of productivity.	5S2) The distinguished teacher also...
